*No school

While we are not able to close for every holiday represented within our diverse community, families are welcome to excuse their child for special occasions. Please notify the office in advance.

Our school calendar outlines important dates, events, and activities throughout the academic year. It serves as a guide for families to stay informed and engaged in their child's educational journey.

Parental Engagement:

- **Parent-Teacher Conferences::** Individual meetings between parents and teachers to discuss the child's progress, strengths, and areas for growth.
- **Observations::** Opportunities for parents to observe their child in the Montessori environment and understand their learning process.
- **Parent Meetings::** Gatherings to share important school updates, discuss the Montessori method, and strengthen the school-community relationship.
- **Open House::** During Friday Open Houses, students proudly share their week's work with their parents or guardians. This special time allows children to guide their parents through their learning process, offering insight into their classroom and Montessori works. Open Houses also provide an opportunity for parents to meet with their child's lead teacher to discuss specific topics. They are held on Fridays, with a limit of five parents per classroom. Scheduling is available the week prior.
- **Workshops for parents::** Interactive session where families learn and practice Montessori principles to support their child's development in their child's classroom environment.

Please note: **The dates for the following events are not listed on the calendar but will be announced in advance:**

- special events and performances
- class outings
- school pictures
- emergency drills
- wellness checks
